BARN 3 BEACON HILL, THE COMMON, HUCKNALL, NOTTINGHAM.

This absolutely stunning barn conversion is situated on the outskirts of Hucknall on the borders of The Misks Hills and forms part of the former grounds of Beacon Hill House. This beautiful home occupies a semi-rural position within an idyllic location approached via a tree lined private road. A blocked paved entrance to Beacon Hill development with electric wrought iron gated access to further blocked paved driveway with a large detached double garage.

There is a pathway leading to a sizable garden substantially laid to lawn with Laurel and other planting that will mature to become an enticing and spacious outside space.

From the moment you first arrive at this enchanting property you will be impressed by the setting and the location as well as the attention to detail that has been given to both internal and external presentation. The property itself is a substantial stone-built barn conversion which has unique style and character and occupies a sizeable plot within a unique location. Internally the property offers an unrivalled standard of specification and finish compared to many similar properties. The presence felt by this barn conversion makes an immediate statement and on entering the impressive glazed entrance you are warmly greeted by the superb and spacious hallway with oak staircase and one is given an immediate sense of quality. There is a ground floor W.C of a size that provides additional storage and use as a Cloaks room. Superb lounge with windows that bring a significant amount of natural light into this space. Bespoke designed Italian style dining-kitchen which has been comprehensively fitted with a range of impressive wall and base units with granite work surfaces, tiled flooring with underfloor heating. First floor landing gives an impressive view of the staircase and hallway below due to its galleried style and the extensive glazing providing imposing views out on to the gardens which therefore make for a striking central point within the property. The first floor gives access to three double bedrooms and family bathroom. The master bedroom has fitted wardrobes and an en-suite. There are feature beamed ceilings, numerous power points, ceiling light points and ceiling spot lights. The bathroom and en-suite fittings are of high quality and would not look out of place in a stylish magazine. This really is a case of a property that needs to be seen to be fully appreciated and we recommend an early viewing by appointment only through Need2View as the sole selling agent to avoid disappointment.
